SPEAKER WITHEM: Senator Robinson.

SENATOR ROBINSON: Mr. President, and I'll make this quite brief, but this resolution honors Mike Lehl who retired as the football coach at Blair, Nebraska, and I think it's very interesting that Mike accumulated 233 career victories and he ranks third in state history for the most wins by a football coach, but I think it's quite ironic that the gentleman that holds the record for the most wins was his high school coach, Ed Hinkler, out at Grant, Nebraska. In Coach Lehl's career he won a state championship in 1988 and, without further words, I would present this resolution. Thank you.

SPEAKER WITHEM: Mr. Clerk.

CLERK: Mr. President, LR 306 offered by Senator Robak, found on page 659 of the Journal.

SPEAKER WITHEM: Senator Robak.

SENATOR ROBAK: Mr. Speaker, members of the body, this resolution is to congratulate Ron Callan, a science teacher from Columbus Senior High School who won the Christa McAuliffe prize from the University of Nebraska Lincoln Teachers College. Christa McAuliffe's mother, Grace Joyce Corrigan was there at the luncheon, presented him the award in person. Mr. Callan has taught school for 30 years in Columbus and he is a hard working, dedicated teacher, obviously, or he wouldn't have gotten the Christa McAuliffe prize. I just wish the body to advance this resolution. Thank you.

SPEAKER WITHEM: Thank you, Senator Robak. Mr. Clerk.

CLERK: Mr. President, LR 307 offered by a number of the members, principally by Senator Coordsen.

SPEAKER WITHEM: Senator Coordsen.

SENATOR COORDSEN: Thank you, Mr. Speaker, members of the body, this resolution, which is signed by 47 members of the body, congratulates Dr. Martin Massengale for his service to the University in the State of Nebraska for the past 18 years, expresses our appreciation for his dedication and also the
